

8th Family Math & Science Day

Saturday, November 3, 2018 | 10:00 a.m. - 12:30 p.m.

Math & Science labs, 2nd floor, Lecture Block, Scarfe Building, 2125 Main Mall, UBC

Presented by the UBC Faculty of Education and Pacific Institute for the Mathematical Sciences

Science and Math Educators and students from the Department of Curriculum and Pedagogy, Teacher Education Program and the larger Faculty of Education community at UBC invite guests from 2 to 102 years old to help us celebrate science and math teaching and learning at UBC Faculty of Education through active participation in exciting hands-on and minds-on math and science activities suitable for all those with curious and inquiring minds. Parents, children and teachers are welcome to attend! The event is FREE.

Event Schedule

10:00 a.m. - 10:30 a.m. | registration

10:00 a.m. - 12:30 p.m. | Science & Math stations: hands-on science & math activities
