

## TWO-DAY WORKSHOP

**Date:** July 18 and 19 (Thursday and Friday)

**Time:** 1:00 pm - 4:00 pm

**Location:** Scarfe 1007, PC Computer Lab

**Fee:** Free

**Participants:** All UBC faculty and students who are interested in using the virtual world as one of their educational environments.

**Maximum participants:** 30 (Registration at <http://2013view.eventbrite.com> )

**Format:** This is a hands-on workshop. Besides an introduction to the virtual world and possible applications, the majority of time will be spent learning how to navigate in the virtual world.

**Facilitators:**

- Sandrine Han, Assistant Professor, EDCP
- Yoriko Gillard, MA student, Art Education
- Kwesi Yaro, MA student, Math Education
- Denise Haugh, MEd student, Adult Learning & Education
- Diana Ihnatovych, MA, Music Education

**Content including:**

- Introducing the possibilities of using the virtual world for education.
- Practical application for using VIEW in different subject areas.
- Hands-on practice on how to navigate in VIEW.

**Objectives:**

Participants will learn how to

- register for the virtual world.
- set up the virtual world browser.
- navigate in the virtual world.
- customize their avatars.
- apply the virtual world environment for education.
- use existing objects to construct their own virtual education world.

**Materials**

- Electronic handouts will be prepared.
- Video tutorials will be available on Youtube.
