Requires In-Person Attendance: Yes

Term	Day	Start Time	End Time	Building	Room
1	Thu	16:30	19:30	Neville Scarfe	1211

Applicants must have a recognized doctoral degree with relevant teaching and academic expertise for this graduate course. Applicants should have:

- experience in the K–12 and post-secondary education systems,
- experience with research in mathematics education from Grade 5 to middle school to secondary school to post-secondary levels

Duties include teaching, holding regular office hours, marking assignments, reporting grades, planning with the EDCP math area coordinator, as well as follow-up appointments, where applicable.

Equity and diversity are essential to academic excellence. An open and diverse community fosters the inclusion of voices that have been underrepresented or discouraged. We encourage applications from members of groups that have been marginalized on any grounds enumerated under the B.C. Human Rights Code,

including sex, sexual orientation, gender identity or expression, racialization, disability, political belief, religion, marital or family status, age, and/or status as a First Nation, Metis, Inuit, or Indigenous person.

All qualified candidates are encouraged to apply; however Canadians and permanent residents will be given priority.

Letters of application along with a current resume or CV are submitted to
