### NEW Special Interest Group

We are delighted to announce a new SIG entitled UBC Emeriti/Seniors' Sports Program which focuses on modified small-sided games (e.g., soccer 3v3, 4v4, 5v5 and walking soccer, basketball, and cricket 6s) and racquet sport opportunities (e.g., singles/doubles tennis, pickle ball, squash, badminton and table tennis). An integral part of the UBC Emeriti Seniors' Sports Program will include post-activity social. In the initial phase, programs begin in April until September.

The ethos of the fun and challenging UBC Emeriti/Seniors' Sports Program aligns with UBC's Wellbeing Strategic Framework and its six priority areas —Physical Activity, Mental Health and Resilience, Built and Natural Environments, Collaborative Leadership, Food and Nutrition and Social Connection. Caution: safety, ageing and seniors' sport—"Don't play sport to get fit, get fit to play sport".

Contact **Harry Hubball** at [harry.hubball@ubc.ca](mailto:harry.hubball@ubc.ca) if you are interested in participating. Partners/Spouses/Coed participants most welcome.
