

# UBC HOPE PHE Canada Student Chapter Call for Executive Members

The UBC HOPE PHE Canada Student Chapter is now recruiting **Executive Members** for the 2024-2025 academic year!

In association with PHE Canada, we are seeking UBC students who are passionate about Physical and Health Education (PHE), healthy school communities, and those who want to build and enhance their leadership skills and professional portfolio within the PHE Community!

## Our Purposes

### Organizing Activities

Organize various activities related to Physical and Health Education (PHE) for current and future pre-service educators.

### Increasing Knowledge

Equip current and future pre-service educators with increased knowledge of PHE activities, concepts, resources, and wise practices.

### Elevating Engagement

Strengthen and elevate PHE-based programs through engagement, professional development, and student leadership opportunities.

### Building Connections

Experience and provide unique opportunities for mentoring, networking, and bonding over common interests while connecting to the PHE community.

## Who Should Apply?

- Current Teacher Candidates of any stream or teachable
- Concurrent Bachelor of Education Students
- Any UBC student with a passion for physical activity, well-being, and healthy schools
